

How Girl Guides Works

Girl Guides is more than just a weekly activity – it's a movement that empowers girls and young women to grow into confident, self-respecting community members. Through our program, girls explore, discover, and thrive in a supportive and inclusive environment.

What Girl Guiding Provides

As a Girl Guide, your child will have the opportunity to:

- Explore and be curious about the world around them.
- Show respect and consideration for others through positive behaviours.
- Build friendships and collaborate with their peers.
- Identify their values, learn to speak out, and take action on issues they care about.
- Make healthy and positive life choices.
- Advocate for their rights and the rights of others to make their own decisions.
- Reflect on the impact of their actions and the actions of others.
- Communicate and work effectively in a team.
- Develop and practice leadership skills.

FairPlay Vouchers

What is a FairPlay Voucher?

The Queensland Government offers FairPlay Vouchers to help families with children aged 5–17 participate in sport and active recreation. Each voucher is valued up to \$200 and can be used toward Girl Guide membership fees.

To redeem your voucher:

- ✓ Upload your current and valid voucher during the online registration process.
- ✓ Invalid or expired vouchers will not be accepted.
- ✓ Ensure the voucher is submitted before completing any debit/credit card payments.

To apply or check your eligibility, visit the Qld Government FairPlay Website:
