Centenary State High School P&C strongly encourages parent/guardians to be involved in the school. The P&C generates funds and guidance to assist the school in providing quality educational outcomes. It is highly beneficial to students and the school (and often benefits the parent/guardians directly also!) Please give serious thought to becoming actively involved in any of the following ways:

Attend P&C Meetings: Meetings are held every third Wednesday in the Resource Centre at 7.00pm. Please complete the P&C Membership Form.

Financial Support: If you don't have time to give, you can still contribute by paying the annual P & C Levy. This gift can be tax deductible and it helps us to support the students and the school.

Many People Prefer To Help Outside Meetings: Occasionally we have emergent needs that parents can fulfil (e.g. staffing the canteen or a function; writing grant submissions; expertise; sausage sizzling etc). If you are interested, we will place you in our database. This will enable us to email a committed group of parents and you can choose (if you have the skills or the time) to help.

Some areas of the school you might like to be involved in (tick the boxes):

HELP OUR CANTEEN & UNIFORM SHOP

Our school canteen and uniform shop is our major source of fundraising, but without your support our ability to run this operation to its full potential is limited. You can help by either donating goods or time. If each parent was able to donate one hour and one item per year, we would be able to save thousands of dollars. These funds could then be directed towards your child's education.

How Can You Help ?

CANTEEN VOLUNTEER FORM

VOLUNTEER TO HELP IN THE CANTEEN – *More than anything*, the canteen needs your physical help, no cash handling required. Labour is a large factor in eating up profits. Even one hour would be welcome.
