P&C Building Fund Levy for 2016

DID YOU KNOW !!!

The Centenary State High School Parents & Citizens Association have a long tradition of funding projects around the school that benefit all our students like the laptop program, chaplaincy, cricket nets, library resources, musical equipment, Y12 mystery tour etc. One of the ways we are able to do this is to have parents contribute a voluntary tax deductible P+C levy

each year. This is the perfect way for busy parents, who are unable to volunteer their time to assist in the P&C's other fundraising avenues, to contribute to the P&C's planned activities.

The State Government provides funding for the education basics - classrooms, staffing and resources for educational programs. All other needs of the school to further enhance your child's education and school environment are funded by the P&C.

We are currently in the process of improving facilities for your children by upgrading our canteen & uniform shop.....which are at full capacity.

THE PROJECT: STAGED OVER 2/3 YEARS INCLUDES:

Stage 1: Uniform shop relocation & fitout.
- Currently in progress, expected completion in Term 3.

Stage 2: Canteen extension & secure self-serve
Fitout with freezer and cold rooms.

Stage 3: Canteen kitchen preparation area -
refurbishment.

WE NEED YOUR HELP !!!

CSHS and the P&C fully support this Project, given the size of our current student enrolment and the continuing growth within our community.....

BUT as the P&C does not conduct any major fundraising events like a school fete, we need **YOUR** help to improve the facilities for your children.

You are able to help by contributing to the voluntary P&C Levy Building Fund, which is fully tax deductible. Any donation, big or small, helps this worthwhile project.
